

## Arabian F.O.A.L. Association

Establishes and operates a program to determine inapparent carriers of known lethal or sublethal recessive defects of the Arabian, Half-Arabian, and Anglo-Arabian horse.

Enrolls participants in the program who will agree to disclose all relevant information to any potential buyer, lessee, transferee or breeder. Establishes programs of education, genetic research, test procedures, and funding.

### SUGGESTIONS for:

#### Individual Contributions:

Patron Initiation contribution/person	\$ 25.00
Annual contribution	\$ 10.00
**Gold Patron with Webpage link to Farm	\$100.00

**\*\*Farm MUST be one that has SCID tested the stallion(s) they stand at stud, or if not a stallion based farm, breeding mares must have been tested.**

#### Club Patronship:

Any club which endorses the principles of the F.O.A.L. Association is invited to pledge its support by becoming a F.O.A.L. Association Club Patron. Clubs will receive periodic news releases to use in newsletters, and they will be solicited for input in F.O.A.L. developments. The Club Patronship contribution levels are:

50 members or less	\$25.00
51-150 members	\$50.00
151-300 members	\$75.00
301 members or more	\$100.00

**The Arabian F.O.A.L. Association is a 501 (c) (3) Corporation dedicated to  
Fight Off Arabian Lethals. Your contribution is tax deductible.**
